

2024 Spirit of PONC Award

Hello, my name is Katie Grace Lee and I was your 2018 Junior Miss PONC, 2019 Royal Miss PONC and currently your reigning 2023 Overall Supreme PONC. If you know me, then you know that PONC is a big part of my heart. This pageant organization has always had a close bond of sisterhood and a spirit unlike any other organization. The amount of community service throughout each year gives back to the state of NC which is a value, nothing short of priceless.

Raising money and awareness for Victory Junction is a major part of my love for PONC. I think it's important that everyone understands the Spirit of PONC and what your role as a state queen would consist of. The Spirit of PONC award will be presented to the contestant who represents what the PONC State Scholarship Pageant is all about!

The winner for this award will be selected out of the contestants ages 7 & up. This is an optional entry. Any contestant that would like to be considered for this award needs to submit an essay, project, picture, drawing, collage... be creative and use your imagination to depict what you feel like PONC stands for! Please turn in whatever you are submitting at your designated time at registration check-in.

The winner receives a tote bag filled with a journal and crown pen, makeup bag, and pearl earrings all in the spirit of PONC colors. The winner will be announced and awarded before crowning when awards are presented. The deadline to enter is at registration on 7/25/2024. For any questions regarding submission, my contact information is listed below. Feel free to contact our director, Rene Honeycutt with any questions as well.

With love,

Katie
